

Schedule of Fees and Charges

MSK Resources Pty Ltd is a Registered Training Organisation - RTO Number 41284. We operate in accordance with applicable legislation and the 2025 Standards for Registered Training Organisations. MSK Resources charge fees for services provided to students undertaking a course of study. These fees are for items such as course materials, administrative support, student services and training and assessment services.

When and how do I pay?

Fees are payable when you receive your confirmation of enrolment and invoice for the enrolment fee. Fees must be paid in full within 5 days of receiving this notification from MSK Resources. We may cancel an enrolment or discontinue training if fees are not paid as required. Payment methods include direct deposit, cheque or credit card via Pay Pal.

Can I get a refund?

Yes - If you give notice to cancel your enrolment 10 business days or more prior to the commencement of a program you will be entitled to a full refund of fees paid less the non-refundable cancellation fee.

If you give notice to cancel your enrolment 9 business days or less prior to the commencement of a program you will be entitled to a 75% refund of fees paid. The amount retained (25%) by MSK Resources is required to cover the costs of staff and resources which will have already been committed based on your initial intention to undertake the training.

If you give notice to cancel your enrolment after a training program has commenced, you will not be entitled to a refund of fees. Discretion may be exercised by the Chief Executive Officer if there is extenuating or significant personal circumstance that led to your withdrawal.

Our guarantee to you

If for any reason MSK Resources is unable to fulfil its service agreement with a student, MSK Resources must refund the student's fees paid for services not delivered.

How do I get a refund?

To obtain a refund you are required to give written notice to cancel your enrolment and complete a Refund Request Form. Written notice may be in the form of an email or letter. Where refunds are approved, the refund payment will be paid via electronic funds transfer using the authorised bank account nominated by you. This payment will be made within 14 days from the time you gave written notice to cancel your enrolment.

Are my fees protected in case I need a refund?

Yes - MSK Resources has a responsibility to protect the fees paid by students. To meet this need, MSK Resources will only accept an initial payment of no more than \$1,500 from each student prior to the commencement of their course. This fee protection arrangement complies with national standards designed to limit the amount paid by a student's in advance of services being delivered.

Do I pay GST in my tuition fees?

No – Training tuition fees are GST exempt under section 38-85 GSTR 2003/1 Goods and Services Tax, tax ruling. The ruling explains the supply of a course for 'professional or trade course' is a GST-free education course. GST does apply on the payment of some miscellaneous charges.

Changes to terms and conditions

MSK Resources reserves the right to amend the conditions of the student's enrolment at any time. If amendments are made that effect the student's enrolment the student will be informed 12 days prior to changes taking effect.
